4.Funding acquired and planning application submitted for Wixams Academy School I am a member of the Council's 'Wixams Joint Development Committee', which on 15th March approved the changes to the Wixams S106, allowing for the additional £2.5m funding for the Academy to be put in place. At the time of writing a planning application for the school has just been received and will be put to local consultation.

5.Opening of Bedford Western Bypass

The northern section of the Bedford Western Bypass is due to be opened on 25 April. Final works are currently taking place on the road, which will be named The Great Ouse Way. The new road should ease congestion, reduce delays and connect the A428 at Biddenham with the A6 at Clapham.
