News from the Wixams Good Neighbour Group

A few of our volunteers are pretty handy with computers so we've now set up an IT Support Group which meets at Seasons Garden Centre. We're offering free tech support for specific problems or general advice such as which virus scanning program to use or even how to get started with setting up a website.

We don't have the resources of PC World perhaps but we'll try our best to help. Why not drop into our next session on Saturday 14th January, from 1000 until 1200.

If you need our support please call us on: 07929 656674 Or email: wixamsgoodneighbourgroup@gmail.com
