## Wixams Good Neighbour Group

With funding now provided by Bedfordshire Rural Communities Charity, the Wixams Good Neighbour Group is now up, running and ready to serve the needs of the community.

If you or someone you know needs assistance such as lifts to appointments, help with shopping, prescription collection, dog walking, small household or garden tasks, filling in forms, IT/technology support, please get in touch as one of our volunteers may be able to help. All our volunteers are DBS checked, insured and carry ID cards, so you can rest assured that you're in safe hands.

Likewise, if you would like to become a volunteer yourself we would love to hear from you whatever the amount of time you can give to the scheme. We hope to support as many members of Wixams as we can and this means having a strong team behind us. The reward is in the knowledge that you're helping your neighbours in the community!
