Wixams News

What do you do when you get this kind of email? *'PayPal Notification : Your account has been limited we are until hear from you!'* I have received five such identical emails just this morning! And that is part of the clue - they are fraudulent!

As the 'The Twelve Online Frauds of Christmas' says 'do not readily click on links in email from unknown sources. Instead, roll your mouse pointer over the link to reveal its true destination ... Beware if this is different from what is displayed in the text of the link from the email'.

In case you can't read the link above, it says <http://paypal.support.update.com.naijasmartsms.com.ng/> And the sender 'service.com' is another giveaway.

Why not download the booklet 'The Twelve Online Frauds of Christmas' from Bedfordshire Police and get wise? See this page for the web address.

Have an exciting - and safe - time preparing for Christmas.
