Dear Wixams Residents,

Please find enclosed your **Operation Christmas Child Leaflet and labels**. Please support us and do something magical this year for children across the world living in awful conditions.

- 1) Wrap a shoe box (box & lid separately)
- 2) Fill it with gifts for your chosen age group and gender including a flannel, toothbrush, toothpaste & Soap.
- 3) £3 donation for postage (Imagine how far £3 of petrol would get you? not very far, Your box might go to a Romanian Orphanage or even as far as Asia)
- 4) Pay online if you prefer print out the bar code place inside your box and find out where your shoe box goes by email in January.
- 5) Take it to your nearest drop off point
- 6) Enjoy Christmas knowing that you have given a child a gift which no doubt they will play with all year and cherish for their entire life time.

Handy tips for your box:

- 1) If possible put a Fabric bag for life inside your box, your chosen child will play with their shoe box continually and sooner or later it will fall apart, a bag for life will keep their personal possessions safe.
- 2) Always try to include a cuddly toy or doll, after months of playing their note pads pens & pencils will run out, a soft toy will keep for ever.
- 3) Have the soft toy at the top of your shoe box facing up, so its the first thing your chosen child sees...and they smile.

Please join us at All Saints Church on **Saturday 14th November at 4pm**. Ampthill Brass band have agreed to play for us to celebrate the generosity and kindness of everyone who has taken part in this heart warming appeal, refreshments available afterwards.

Drop off points before 14th November includes: Dawn until Dusk, Lakeview school, Wixams
